Re-read Louise Penny's beloved Chief Inspector Gamache Series

I know this is very unusual, getting in touch between newsletters, but I wanted to tell you about this new community we're creating around the Gamache books. It's a sort of reading group at Myrna's New and Used Bookstore (though you'll have to provide your own croissants).

The Gamache Series

Gamache series - book meeting place

Leading up to the publication of *THE LONG WAY HOME*, we're re-reading the previous books in order. We're doing this for fun of course, to revisit Three Pines and see Clara, Peter, Ruth, Gamache et al evolve, but also to introduce new readers to the series. There'll be discussions, and give-aways, guest posts. It's so great to meet people who share our taste in books, and to get a chance to talk about developments, setting, themes.

What better meeting place than over a book?

We'll start with *STILL LIFE*, on April 21st. Each book will be discussed for two weeks, then onto the next one, culminating in the publication of *THE LONG WAY HOME*.

Sign up to join

Now, you'll have to sign up for it, of course. [Here's the link](#). If you have any questions, or difficulties, we're here to help. Just contact [Paul](#) if you have any trouble.

Have fun, and see you at the first meeting. We can go over to the bistro later. (I wish).

Here's the order of the **Chief Inspector Gamache books**, from the first to the most recent:

STILL LIFE

A FATAL GRACE / DEAD COLD

THE CRUELEST MONTH

A RULE AGAINST MURDER / THE MURDER STONE

THE BRUTAL TELLING

BURY YOUR DEAD

A TRICK OF THE LIGHT

THE BEAUTIFUL MYSTERY

HOW THE LIGHT GETS IN

THE LONG WAY HOME

As you can see we have had a lot of fun in our community creating the photos for the newsletter thanks to great friends and neighbours. If you would like to see these pictures a little larger [click here](#) to see them via my website.
